

Polyester Lifting Slings (Carrying Straps) (Model: B0034)

- This set of certified polyester carrying straps are a practical tool for minimising risk of injury when handling heavy loads up to 1000kg.

- Tough polyester construction, abrasion-resistant resting pad and reinforced rubber handles make these the one of the best certificated carrying straps on the market.

- These straps are sold as a pair.

- 560mm length from handle to base and 60mm thickness.
