

Anti Graffiti & Anti Scratch Film 1.52 x 10mtrs (Model: Q0074)

- This anti-graffiti film is designed especially for easy cleaning * and for efficient glass protection against graffiti, impacts, and scratches caused deliberately. The thickness of film plays a crucial role as a barrier between the glass and the vandal. The glass surface remains intact. The film can be changed easily, saving the initial look of the window.

- * The anti-graffiti polyester film is designed to resist against most of solvents, it can be cleaned and can be easily taken off and replaced in a minute in case of an indelible tag. It also protects against scratches. Shop windows, ground floor windows, entrance halls, furniture and urban transport, etc.

- Internal and external surface with soapy water.

- Solution of soapy water, 30 days after installation. Products that could scratch the film should not be used. Do not put stickers or any other adhesives on the film.

- 5 to 8 years for vertical application in Central Europe.
