

Decorative Film 200, White Frosted, 1.52 x 10mtrs (Model: Q0100)

- This adhesive film turns all the windows into white frosted glass. It completely obscures vision but allows light to pass, and allows you to hide away from prying eyes and at the same time maintains the brightness of space.

- Facades, office boxes, computer rooms, hospitals, ground-floor premises, schools, workshops, shop windows decoration, etc

- Application method:

1. Internal and external surface with soapy water.

2. Solution of soapy water, 30 days after installation.

Products that could scratch the film should not be used. Do not put stickers or any other adhesives on the film.

- 8 to 10 years for outside vertical application in Central Europe. 12 to 15 years for inside vertical application in Central Europe.

- 2 years from the delivery. This film should be kept away from excessive moisture and away from direct sunlight at temperature below 38°C.
