

38 x 38mm Multi Faceted Green Square (Model: RB1318S)

RB 1318 38x38mm

- Regalead decorative glass bevels are designed primarily for the overlay market and are manufactured from 5mm float glass which is bevelled down to a 1.5 - 1.8mm edge.

- These fine edges make the bevel pieces ideal for using with self adhesive lead but also suitable for customers working with traditional lead comes or copper foils.
