

Clear Base B - 1 Litre (Model: WRCSSP1B)

There are many systems on the market for spraying glass but none give the flexibility, affordability and performance of ColorSpray®.

- ColorSpray® comes with a 10 year external warranty.
- It can be applied to any monolithic glass surface.
- It can also be used on laminated glass.
- ColorSpray® can create any RAL, Pantone, NCS or BS colour.
- And requires no specialist drying or curing equipment.
- Also available in [5 litres](#) and [25 litres](#).
